

The next meeting of the VSIP working group will be in the Boston Area and will be hosted by

\*\*\*\*\* Please send a reply by Oct. 31 indicating how many plan to attend \*\*\*\*\*  
\*\*\*\*\* the Nov. meeting. \*\*\*\*\*

The meeting will be Nov. 13 8:30 - 5:30, and Nov. 14 8:30 - 4:00. The first day will be for

The preliminary set of task groups are:

- \* Functionality
- \* Memory Hierarchy/Multiple Address Space
- \* Numerical Precision/Accuracy
- \* Image Processing
- \* API

I suggest an attendance limit of four people per company. (There are five member companies t  
Mercury only has facilities to accomodate a meeting of less than 30 people. If it looks like  
Mercury is located in Chelmsford, MA in the greater Boston area.

Notes:

- 1) You are strongly encouraged to provide me with electronic copies of your presentations (W
- 2) If you provide me with a document on your libraries I will create a merged functionality
- 3) We plan monthly two day meetings for the next 6 months and then will adjust to a less fre
